PARENTS / LEGAL GUARDIANS CODE OF CONDUCT

- I/We will remember that children play sport for their enjoyment not yours.
- I/We will applaud good performances and efforts by my child and their team. Congratulate both teams upon their performance regardless of the result.
- I/We will consult with the Coach on all issues surrounding questions about my child's performance in practice and in games. (If there is no resolution, I will consult the Board)
- I/We will encourage my child to participate, I will not force them.
- I/We will focus on my child's efforts and performance rather than winning or losing.
- I/We will encourage my child to always participate according to the rules and Coaches instruction.
- I/We will never ridicule or yell at my child for making a mistake during practice or a game.
- I/We will demonstrate appropriate social behavior by not using foul or abusive language, harassing players, coaches or officials.
- I/We will respect official decisions. If there is a disagreement, I/We will follow the appropriate procedure in order to question the decision and teach children to do the likewise
- I/We will remember that children learn best by example. I/We will applaud good plays by all teams.
- I/We will show appreciation of volunteer coaches, officials and administrators. Without them your child could not participate.
- The consumption of alcohol and smoking is prohibited on any field TBJFL uses.

- I/We understand that if my child becomes a safety risk to himself or others, the Coaches will inform us of the situation. The first is a verbal warning, the second is a week's suspension from practice and game, and the third could be removal from the program. (To be voted by the Executive Board)
- I/We understand that when called upon, it is my/our responsibility to volunteer at home games for various needs of the organization. This includes but not limited to; concessions, apparel, grill, chains, video, photos, press box, score keeper, announcer, etc.
- Unless communicated, ALL required equipment will be turned in at the end of the season. In addition to forfeiting your deposit, TBJFL has the right to bill parties for not turning in ALL required equipment to include safety equipment and jerseys/pads.
- I/We understand that my/our child must be fully equipped for every game with all of their football gear. *TBJFL may consider a cost for items supplied during a game or practice*
- I/We understand that football practice is not a "drop off" service and that we need to be 100% reachable at all times during any event.
- I/We will professionally address all issues with the Head Coach and if it is not resolved we will take the issue to the Board to address. *Note: It is strongly recommended that all correspondence be delivered in person before or after practice and never during a game unless it is a violation or safety concern.
- TBJFL and its supporters have the right to remove any individual from an event if there is a perception of a safety violation or unsportsmanlike conduct.

If any of these rules are not adhered to the following consequences will be upheld:

1. Verbal warning from the Athletic Director and President.
 2. Written notice of violation (if duplicated) signed by the Athletic Director and President
 3. Terminated from the program. (To be voted by the Executive Board)
- **I understand that if I do not follow the code, system action may be taken that could impact my child's participation in the program.**
